

PRO II TRUCK RACK - EXTENDED CAB/CREW CAB - LONG BED 96" (GM, RAM, TUNDRA, F-150)

Part # : 06001

Pro II Truck Rack

Serious tradesmen use substantial tools. Kargo Master racks are the top choice because they work hard and look great. Constructed with 2" diameter x .083" thick high tensile strength mechanical tubing, the Pro II rack is designed to carry heavy materials and cargo.
