

DOUBLE LADDER EXTENSION HOOKS - ALUMINUM DROP DOWN RACKS

Part # : 4A814

Double Ladder Extension Hooks - Aluminum Drop Down Racks

Set of two ladder hooks and end stops to allow for the carrying of two ladders on one aluminum drop down rack. It is rated for 90 lb total.

Features and Benefits:

- Can carry up to two ladders weighing a total of 90 lb and 14 inches tall when stacked flat.
- Replaces standard ladder hooks and end stops that come with the rack.
- Increases rack height by 7".

Compatible Items:

- 4A97L – Aluminum Compact Van Drop Down Rack, Passenger Side
- 4A98L – Aluminum Compact Van Drop Down Rack, Driver Side
- 4A93L – Aluminum Low Roof Drop Down Rack, Passenger Side
