BOTTLE RESTRAINT SHELF (USE WITH 40201)

Part # : 40203

Bottle Restraint Shelf (Use with 40201)

40203 is an extra shelf that can be used with the 40201 Large Bottle Restraint to store bottles vertically. Using multiple bottle restraints stacked vertically, it provides a shelf to be able to store more bottles or tanks and make better use of the available cargo space.

Dimensions: 12" x 10" x 5" in

Features:

- Can be mounted to shelf end panels and partitions
- Used with PN 40201 Large Bottle Restraint
- Used to stack multiple bottles vertically
